Service

An important part of a player's NorthStar experience will be participation as a team in community-service activities. The actual community service projects will be selected by a volunteer group of parents working with the coaches. These activities are required of all NorthStar players.

Parental Involvement

NorthStar is staffed and run by an all-volunteer team. NorthStar will ask parents to volunteer for various tasks needed by the team and the NorthStar Soccer Club. Team-specific volunteers (i.e., business manager) will be identified as team rosters are completed. The NorthStar Soccer Club will provide on-going support and guidance for these volunteers. Parents will also be asked to provide volunteer support for Club fund raisers.

Fund Raising

The NorthStar Academy U10 players will participate in the Academy-wide wreath sale activity and other fund-raisers to offset the cost of participation and special events.

Coaching

NorthStar Academy U10 teams will be coached by professional NorthStar staff coaches.
