Service

An important part of a player's NorthStar experience will be participation as a team in community-service activities. The actual community service projects will be selected by a volunteer group of parents working with the coaches. These activities are required of all NorthStar players.

Parental Involvement

NorthStar is staffed and run by an all-volunteer team. NorthStar will ask parents to volunteer for various tasks needed by the team and the NorthStar Soccer Club. Team-specific volunteers (i.e., business manager) will be identified as team rosters are completed. The NorthStar Soccer Club will provide on-going support and guidance for these volunteers. Parents will also be asked to provide volunteer support for Club fund raisers.

Fund Raising

The NorthStar Academy U14 players will/may participate in the Academy-wide wreath sale activity and Scrips Program to offset the cost of participation and special events.

Coaching

NorthStar Academy U14 teams will be coached by parent volunteer coaches.
